**Declaration by Swiss attorney or notary  
upon opening an account or securities account**

The undersigned hereby declares that he/she acts as attorney/notary\* and that he/she is subject to corresponding provisions by cantonal laws.

He/she declares that he/she is not entitled to beneficial ownership of the assets deposited with the bank. He/she certifies that, with regard to the aforesaid account/securities account, he/she is subject **to professional confidentiality as protected by Art. 321 SPC (Swiss Penal Code) and that said account/securities account serves the sole purpose of:**

winding-up and, so far as appropriate, related short-term deposit of advances on legal costs, security, fees under public law, etc. as well as of payments to or from parties, third party/parties or authorities (termed "winding-up account/securities account of client's funds")

deposit and, so far as appropriate, related placement of assets from a pending partition of inheritance or execution of a will (termed eg. "inheritance" or "partition of inheritance");

deposit and, so far as appropriate, placement of assets from a pending separation of property in the divorce or separation of a marriage (termed eg. "separation of property/divorce of marriage");

depositing of a security and, so far as appropriate, placement of assets in matters of civil or public law (termed eg. "escrow account/deposit", "blocked deposit account for purchase of stocks", "deposit of a security/corporate security", "deposit of a security/property income tax" etc.);

deposit and, so far as appropriate, related placement of assets in matters of civil and public law before ordinary courts or courts of arbitration and in execution proceedings (termed eg. "advances", "guarantee for court security", "bankrupt's estate", "arbitration proceedings", etc.).

(Mark with a cross where applicable; only **one** square is to be marked.)
